4. Planning school trips

Prior to planning a school trip, the following guidance can be read in:

- DfE (2018) 'Health and safety on educational visits'
- HSE (2011) 'School trips and outdoor learning activities'

A thorough risk assessment will be conducted by the designated trip leader during the planning of the trip, to ensure pupil and staff safety.

When partaking in adventure trips;

- activities will always be identified at the planning stage and never added during the trip.
- the need for instructors and lifeguards for water sports will be taken into account, particularly when using facilities which may not have a trained lifeguard present.

The school will do everything in its power to ensure that all pupils are given an opportunity to participate in school trips, for example, organising two trips with a smaller group size or finding a venue which can cater for all pupils.

Where there is a maximum capacity of pupils for a trip, places will be allocated on a first come, first served basis.

This will be clearly communicated to parents in a letter home.

5. Risk assessment process

Our risk assessment process is designed to manage risks when planning trips, while ensuring that learning opportunities are experienced to the fullest extent. The individual carrying out the risk assessment process will have the skills, status and competence needed for the role, understand the risks involved, and be familiar with the activity.

The process is as follows:

- Identify the hazards
- Decide who might be harmed and how
- Evaluate the risks and decide on precautions
- Record findings and implement them
- Review assessment and update if necessary

A risk assessment will be conducted for each school trip before it is undertaken to identify hazards and control measures specific to the trip.

6. Vetting providers

When considering external providers for activities, the trip leader will check whether a provider holds the 'Learning Outside the Classroom' badge. If this badge is not held, the following checks will ensure they are a suitable organisation to work with:

- Their insurance arrangements
- Their adherence to legal requirements, and presence of necessary licenses
- Their control measures
- Their use of vehicles
- Staff competency levels
- Safeguarding policies
- The suitability of their accommodation
- Any sub-contracting arrangements in place

If an organisation does not meet the school's standards, alternative venues will be explored..

7. Equal opportunities

As a Special school, it evaluates the suitability of a trip or visit and takes account of individual or group of pupils when organising a trip. The extra-curricular trips and activities offered to pupils will provide new experiences and develop life skills.

The school offers places on a first come, first served basis.

Where possible, pupils will be given the opportunity to contribute to the planning and organisation of extra-curricular trips and activities.

For school trips that require additional payment, the fee will be reasonable and, where possible, arrangements will be provided for pupils whose parents /carers may need an adapted process in paying the initial fee.

8. Safe use of minibuses and seatbelts

The Site Supervisor is responsible for arranging the annual maintenance of the minibuses, including MOTs and road tax. The use of minibuses will be organised in accordance with the Minibus Policy.

The driver will have a current driving licence, be aged 25 years or over and hold a full licence in at least a category D PCV in order to drive on a domestic school trip. Category B PCVs may be acceptable in certain circumstances. Before driving abroad, the designated trip leader will seek guidance on which licence is required.

Drivers will supply a photocopy of their driving licence to the office and this is kept on file. A driver must inform the Head teacher if the provision on their license changes and limits their authorisation to drive the minibus.

Internal damage to the minibus is the responsibility of the individual using the minibus. The school will decide who is responsible for covering the cost of any repairs. The minibus will carry strictly one person per seat and seatbelts must be worn at all times.

Any potential risks, defects or damage identified, will be reported upon return to the school. The following staff members currently hold the required licence and have relevant training to drive the school minibus:

<u>Mr Jackson</u>
<u>Mr Kennerley</u>
<u>Mrs Watts</u>
<u>Mrs Abbott</u>
<u>Mrs Gaskell</u>

9. Parental consent

Parental consent is not generally required for local off-site activities that take place during school hours.

Written consent will only be required for:

- Trips that need a higher level of risk assessment.
- Trips that are outside of normal school hours.

The school may ask parents to sign a consent form when their child enrolls. This consent form will cover them for their whole time at the school.

Separate consent will be sought for trips which require payment. Parents will be informed of activities by email and will have the opportunity to withdraw their child from taking part.

10. Staffing ratios

There will be sufficient staff to cope in an emergency and generally. Staff ratios are as follows, but in the case of a low-risk group of pupils on a day trip visit, may differ from the ratios given below. Our staff to pupil ratios are as follows:

- Abroad: **1:3**
- Other residential: **1:3**
- High risk: **1:2**
- Day trip visits: **1:4**

11. Insurance and licensing

When planning activities of an adventurous nature in the UK, the designated trip leader will check that the provider of the activity holds a current licence.

Insurance will be organised for trips that are not covered by the school insurance, to ensure adequate protection and medical cover is in place. Parents will be informed of specific insurance cover.

Where a crime is committed against a member of the party, it will be reported to local police as soon as possible.

Medical expenses will be recorded and stored in the school office.

12. Accidents and incidents

- a) In the case of accidents and injuries while on a school trip in the UK, the school's accident reporting process will begin, as detailed in the Health and Safety Policy.
- b) In the case of accidents and injuries while on a school trip abroad:
 - Organisers will cooperate fully with local emergency services and understand that any injury or death of a member of staff or pupil outside of Great Britain may be subject to the law of the land where the accident occurred.
 - The first point of contact within the UK will be the Head Teacher who will contact the family of the injured person.
 - Pupils will be asked not to contact friends or parents in the UK until the family of the injured person can be contacted.
 - The British Embassy/Consulate will be informed.
 - The insurer will be notified.

The Head Teacher will keep written records of any incidents, accidents and near misses.

Media enquiries will be referred to the Head Teacher or, if they are not available, the school administrator.

Staff will ensure the safety of pupils and staff should anything happen, e.g. a terrorist attack. Staff will be briefed on how to react and respond should an emergency situation occur, e.g. a terrorist attack. Relevant risk assessments will be undertaken before the trip, including for points of interests such as museums and hotels. Pupils and staff are informed of an evacuation plan before entering trip venues; this should include an agreed rendezvous point, to ensure everyone knows what to do in an emergency.

To ensure pupils are easily identifiable, they must wear the school polo shirts or other school clothing bearing the school logo. Failing this, pupils will be given a badge with the school logo on, which must be worn at all times.

13. Missing person procedure

The school places pupil and staff safety as its top priority when participating in school trips, either domestically or abroad.

Before embarking on the trip, thorough risk assessments are undertaken in accordance with [section 5](#) of this policy. The designated trip leader will communicate with the venues of the school trips to ensure the correct group sizes are planned for each setting. He /she will ensure that the visit is adequately modified to suit pupils' SEND needs.

Everyone on the trip will be provided with a contact list for all members of staff, in the event they are unable to locate their group.

All staff members and pupils will be required to carry mobile phones with them at all times. If a pupil is not carrying a mobile phone, they will be paired with a staff member who has a mobile phone.

Upon arriving at every venue, the designated trip leader will identify a rendezvous point where pupils and adults should go if they become separated from the rest of the group. Pupils and staff will wear school branded clothing, in order to make them easily identifiable.

Regular head counts of all pupils and staff will take place throughout the day to ensure all persons are present at all times.

In the event someone goes missing whilst on a school trip domestically or abroad:

- The designated trip leader will ensure the safety of the remaining pupils and staff by taking a register to identify who is missing.
- The designated trip leader will immediately identify at least one adult to start looking for the person and another adult to contact them via phone, these people will look for the person until, where necessary, the police arrive.
- Where possible, the venue will be notified of the missing person to help ensure the person is found quickly.
- If the person cannot be contacted or located within 10 minutes, the local police or relevant authorities, e.g. the British Embassy, will be contacted.
- If the police are called, the trip leader will contact the Head Teacher, or other available person, back at the school and inform them of what has happened.

If the police, or another authority, is called to an incident where someone is missing, they will oversee locating the person and will advise on factors including, but not limited to, when to contact next of kin.

If the missing person cannot be found, the group will return to school. If this is not possible, e.g. when a trip is taking place abroad, the designated trip leader will make arrangements to ensure the group's safety, e.g. by changing venues or cancelling visits.

If a member of the party has gone missing and is subsequently found, the trip leader will:

- Review the group sizes and staffing ratios to ensure no one becomes separated from their group.
- Review whether more registers should be conducted throughout the day.
- Assess which venues they attend to ensure they are suitable for the group.
- Make recommendations to the designated trip coordinator to ensure similar incidents can be avoided in the future.

Pupils with SEND

Where a specific trip cannot be adapted for a pupil with SEND, alternative arrangements will be made that has equal educational value for the pupil. Pupils with SEND will be accompanied by a responsible adult during the extra-curricular trip or visit.

14. Finance

The school will only charge an amount to cover reasonable costs for trips. There will not normally be a charge for trips that are:

- Part of a syllabus for an exam that the pupil is being prepared for at the school.

- Part of religious education.

Money for school trips will always be paid directly to the school.

In the event that the trip is cancelled due to unforeseeable circumstances, it is at the Head Teacher's discretion as to whether a refund is given to parents. The Head Teacher will consult the proprietor on the matter, taking into account the cost to the school, including alternative provision costs.

In the event that a pupil cancels their place on a trip or it is necessary to cancel a pupil's place due to a disclosure regarding their personal safety, it is at the Head Teacher's discretion as to whether a refund is given to parents. The Head Teacher will consult the proprietor on the matter, taking into account the pupil's reasons for cancelling their place, whether the school will be reimbursed for the pupil's place on the trip, and whether the space on the trip can be offered to someone else.

Where a pupil has previously cancelled a space on a school trip and received a full refund, the school has the right to refuse to allow the pupil to attend future trips and visits.

The school will take a common-sense approach to refunds and cancellations, ensuring that all pupils are treated equally. Any charge made in respect of pupils will not exceed the actual cost of providing the trip divided equally by the number of pupils participating.

Once trip arrangements are booked and confirmed, if contributions to a trip exceed the total cost of the trip, a refund will be given where the excess is greater than £2 per pupil. Any excess of expenditure will be subsidised by the school.

15. Foreign trips

When planning school trips abroad, the school will consider the Foreign and Commonwealth Office's guidance 'Safer adventure travel and volunteering overseas' (2015) and, where an activity poses significant risks, the school will also consult the British Standard for adventurous activities outside the UK.

Validity of passports and visa requirements will be dealt with within three months of the initial notification of the trip, to avoid problems when the trip is due to take place.

Staff and pupils will be taught about the culture and values of the country they are visiting, to ensure they understand and respect the values of the citizens.

Before the trip the designated trip leader will check the travel advice for each country the trip will visit to ensure no visa or permit is needed and to check any other regulations or time limitations.

Staff and pupils will be made aware that they must not have spent over 90 days in the EU, Switzerland, Norway, Iceland or Liechtenstein, within a 180-day period if they intend to participate in any trips within these countries.

Before the trip, the relevant healthcare and travel insurance checks will be conducted to ensure attendees are covered for medical issues or accidents.

Pupils and staff will be informed if they need to apply for a free Global Health Insurance Card (GHIC) or European Health Insurance Card (EHIC) to ensure they can access state-provided healthcare during a temporary stay in the EU.

Before the trip, staff will take guidance on vigilance regarding suspicious behaviour and remaining vigilant whilst abroad. Before the trip, pupils will be taught how to remain vigilant in the country they are visiting, particularly about advances from strangers.

Registers will be taken at the start and end of each day, as well as before, during, and after events, and at regular intervals whilst on days out to ensure the whereabouts of pupils are known at all times.

Staff will check the location's local news at the start of each day of the trip, to ensure their planned activities are safe to go ahead.

At least one member of staff attending the trip will have at least an intermediate understanding of the destination country's language.

At the start of the trip, all pupils and staff are provided with an emergency contact sheet, this includes the trip leader's mobile phone number, as well as emergency numbers and phrases for the country they are visiting.

When using external providers abroad, the school will check whether the provider holds an equivalent of the 'Learning Outside the Classroom Quality Badge'. If no such equivalent can be ascertained, the school will make checks prior to agreeing to use the provider.

16. Evaluating trips and visits

Following an educational trip and/or visit, the designated trip leader will meet with any staff members present on the trip to assess the success of the trip in respect of both designated value and safeguarding effectiveness.

Based on this assessment, recommendations will be made to improve future trips and visits.

17. Monitoring and review

The effectiveness of this policy will be monitored by the Head Teacher. The Proprietor and Head Teacher will review this policy bi-annually.
